

# Wave 1200mm dia.

**Material:**

100% recycled engineering grade 250 cast iron as standard. Also available in any grade of recycled ductile cast iron.

**Standard Finish:**

Zinc rich primer and metal shield top coat. Finished as standard in satin black, also available in any RAL/BS colour.

**Irrigation Holes & Covers:**

Green-tech can supply tree grilles with irrigation holes and covers. Pattern alterations can also be made to allow grilles to accept uplighters.

**Supporting Frames:**

gtDales Collection Wave 1200mm dia. is a 2 piece grille and requires a Type 1 support frame. If a tree guard is required, a Type 2 support frame should be installed.

**Tree Guards:**

Green-tech offer a large range of tree guards which fix directly to the supporting frames to provide an extremely rigid and effective method of tree protection.

**Security Clips:**

Security Clips are available to prevent unauthorised removal of the tree grille segments and to further increase the systems rigidity.
